

COVID Event Safety advice

It's great to welcome fans back to TIO Stadium. We have collaborated with NT Health and NT Police to put measures in place to ensure events are as safe as possible.

To a certain degree, these measures will only work if everyone plays their part in keeping TIO Stadium COVIDSafe.

We need you to:

- Stay home if you are feeling unwell and get tested for COVID-19.
- Stay home if you have had any contact with a person from any NT Government Declared hotspots in the last 14 days.
- Limit the number and size of bags you bring and have any bags ready for inspection as you approach your entry gate. This will make security checks faster and safer.
- Arrive early to help avoid congestion
- Patrons are encouraged to download and use the Territory Check-in app and make sure it's up and running before you leave your house – it is mandatory that you check in on arrival at TIO Stadium.
- Your ticket to the game is also your ticket to FREE travel on dedicated **Buslink** services departing from Palmerston, Humpty Doo and Darwin. Make getting to and from the game easy, leave the car at home. A full bus, service will run despite restricted crowd numbers, to increase capacity and assist with physical distancing efforts.
- Have your phone with your ticket ready to go when entering the stadium, finding your seat and scanning out of the stadium (no paper pass-outs).
- Be mindful of others when moving in and around the Stadium and maintain appropriate physical distancing at all times.
- Follow signage and directions of event day staff and all Stadium announcements and messaging.
- Sit in the reserved seat or area allocated to you. Standing areas are not available in the Grandstand.
- Practice good hygiene at all times – keep up the hand washing/use of soap, as well as sanitizer. Always cough/sneeze into your elbow. Bring your own hand sanitizer.
- Payment for food, beverages and Merchandise is by card (preferred). Take your refreshments back to your seat to consume.
- If you can, use the stairs. Lift usage will be restricted to people with mobility needs and a maximum of 2 people at any time.
- Try to avoid touching stair rails, door handles and other touch points – sanitise your hands after this and use hand sanitiser before eating.
- Patrons with special access requirements seated in the Maurice Rioli Grandstand will need to use the lift located near the Bonson gates/ AFLNT Stadium Office.
- At the end of the game, please remember to respect others and keep your distance from other people at all times. As you leave, try to avoid touching handrails, doors and other touch points
- At the end of the game, patrons are reminded that there may be requirements to stagger departure times. Please listen carefully to all TIO Stadium announcements.
- If you develop any cold or flu symptoms after the match, PLEASE get tested for COVID-19

We hope you have a great time at TIO Stadium and thank you for playing your part!
