School Sport NT is calling for applications for Team Officials for School Sport NT Interstate teams for 2020.

All team participation is subject to the availability of funding. Should there be changes to the listed program attached, notification will be given immediately.

Applications must be received by COB Thursday 21st November 2019.

Application forms should be sent to:

admin.ssnt@nt.gov.au

All applications must be on the 2020 official application form attached. This form gives the selection panel important details and makes the task of applying for positions as simple as possible. The form also gives Principals or Workplace Supervisors more information.

Specific Information:

- Positions are advertised for usually a 3 (three) year tenure but this sometimes varies. So as not to have all officials turning over at the same time, we have staggered the tenure with some positions so please check the length of the tenure of your particular position.
- Volunteers can apply for a second 3 year term immediately after their previous has finished.
- As a DoE agency there is a requirement that all Interstate School Sport NT teams must have at least one teacher per team appointed as an interstate official.
- In selecting, priority is given to Northern Territory teachers (Government, Catholic or Independent) however, non-teachers are regularly appointed.
- Proposed calendar dates, venues and positions vacant are attached. Dates shown are actual interstate arrival and departure dates. There will be a need for 2 days prior to those dates as well for preparation.
- All successful applicants must have or be prepared to obtain an ochre card (working with children clearance). Further details and applications are available from www.workingwithchildren.nt.gov.au.
- The selection panel will be contacting at least one of the listed referees from all applicants short listed for a position.
- An outline of the selection panel and the criteria used is included on the Application Form.
- Interstate 12yrs/15yrs/19yrs and Under Championships are usually 5 school days plus 1 or 2 preparation school days prior to the Championship, depending on departure dates.
- If appropriate and required, a relief teacher allocation is available.
- **Successful applicants are required to attend a compulsory 2 day Professional Development Session Non-Residential). This will be in Term 1, 2020, Friday 14th and Saturday 15th February 2020.**
