Schedule Considerations

Rugby League World Cup

A Rugby League World Cup Quarterfinal match will be held at TIO Stadium on Friday 17 November. The surface will need to be prepared for the event and will not be available for Rounds 6 and 7.

Lighting Upgrades Project

TIO Stadium will be unable to hold night games until Round 3 due to the stadium lighting upgrades. This timeframe is tentative and contingent upon the works being completed as scheduled.

Broadcast Opportunities

New timeslots to accommodate potential broadcast opportunities.

Gardens Oval 1 Upgrades

Gardens Oval 1 will be unavailable for use from Round 1 through Round 5 due to ground repairs.
